General Agent for the Chronicle.

J. G. BUTLER, Esq., Into Sheriff, will act as General Business Agent for the Western Reserve Chronicle. Mr. Butler is anthorized to obtain subscriptions, job work and advertising. He will canvass the Townships on business, and we bespeak for him a welcome from the friends of the Canoxicia. And any favors shown him will be reciprocated by both him and cursives. We wish to add many new names to our list, and believe that Mr. Butler will meet with encouragement and success as a solicitor for this paper.

R. Company an independent charter to extend the said road from the Chio State Line to the city of Pittsburg; the wants and necessities of our trade absolutely requiring additional railroad facilities as an outlet for the increased and increasing extracts; products of our manufactures and work-

Great Fire at Franklin, Pa .-24 Bildings Burnt.—The Loss Half a Million of Dollars.

About four o'clock, on last Thursday is a little insect which is, perhaps, swalmorning a fire broke out in the town of lowed by the hogs, and gets into their Franklin, Venango Co., Pa., which destroyed twenty-four buildings in the centre of the town, among which were the postoffice, Lamberton House, Stanford Theatre building, and a fine Masonic building, just completed. Loss estimated at half a million of dollars, covered by building, just completed. Loss estimated at half a million of dollars, covered by insurance—principally in eastern companies. At the time the fire broke out a strong west wind was blowing, which fortunately ceased about six A. M., and enabled the firemen to get control of the flames. Had not Providence interfered.

There are all sorts of runnors of death to persons cating pork. The disease has not as yet come within one hundred miles of us. The little insects are reported by some to exist in the lower part of the sugar beet which is fed to the hogs. Some abled the firemen to get control of the flames. Had not Providence interfered.

There are all sorts of runnors of death to persons cating pork. The disease has still held by growers above the figures when taken before Singing or Speaking, and reliable to persons cating pork.
